HUGHES PUBLIC SCHOOLS
ROY L. STOBAUGH, SUPERINTENDENT
HUGHES, ARKANSAS

1967

As this year draws to a close, I hope you will try to find the things which give meaning to your lives here at Hughes School. Some of the activities will remain most vivid in your memory. Others will grow in significance with the passing of time. These will probably be the enduring values—honesty, courage, justice, respect.

Your education is really just beginning. It is a process which will continue throughout your life. Choose wisely in the decisions you make for these will help to fashion your character.

Try to do some of the little things each day to make this world a better place in which to live. Finally, may I wish you satisfaction in whatever you do.

Miss Julia McKemie
Yearbook Adviser
Hughes Public Schools
Hughes, Arkansas

Dear Miss McKemie:

I have been hard pressed to choose a winner from amongst the pictures of the very attractive young women and young men sent to me. But since it is necessary to pick a winner I have chosen Miss Rhonda Smith and Mr. Byron Lee Burch. I wish to congratulate you and the High School who are in part responsible for producing such wonderful young men and women.

It was a privilege to have been asked to perform this enjoyable task. My very best to the winners and to the other contestants... please know that it was the closest of races.

Sincerely,

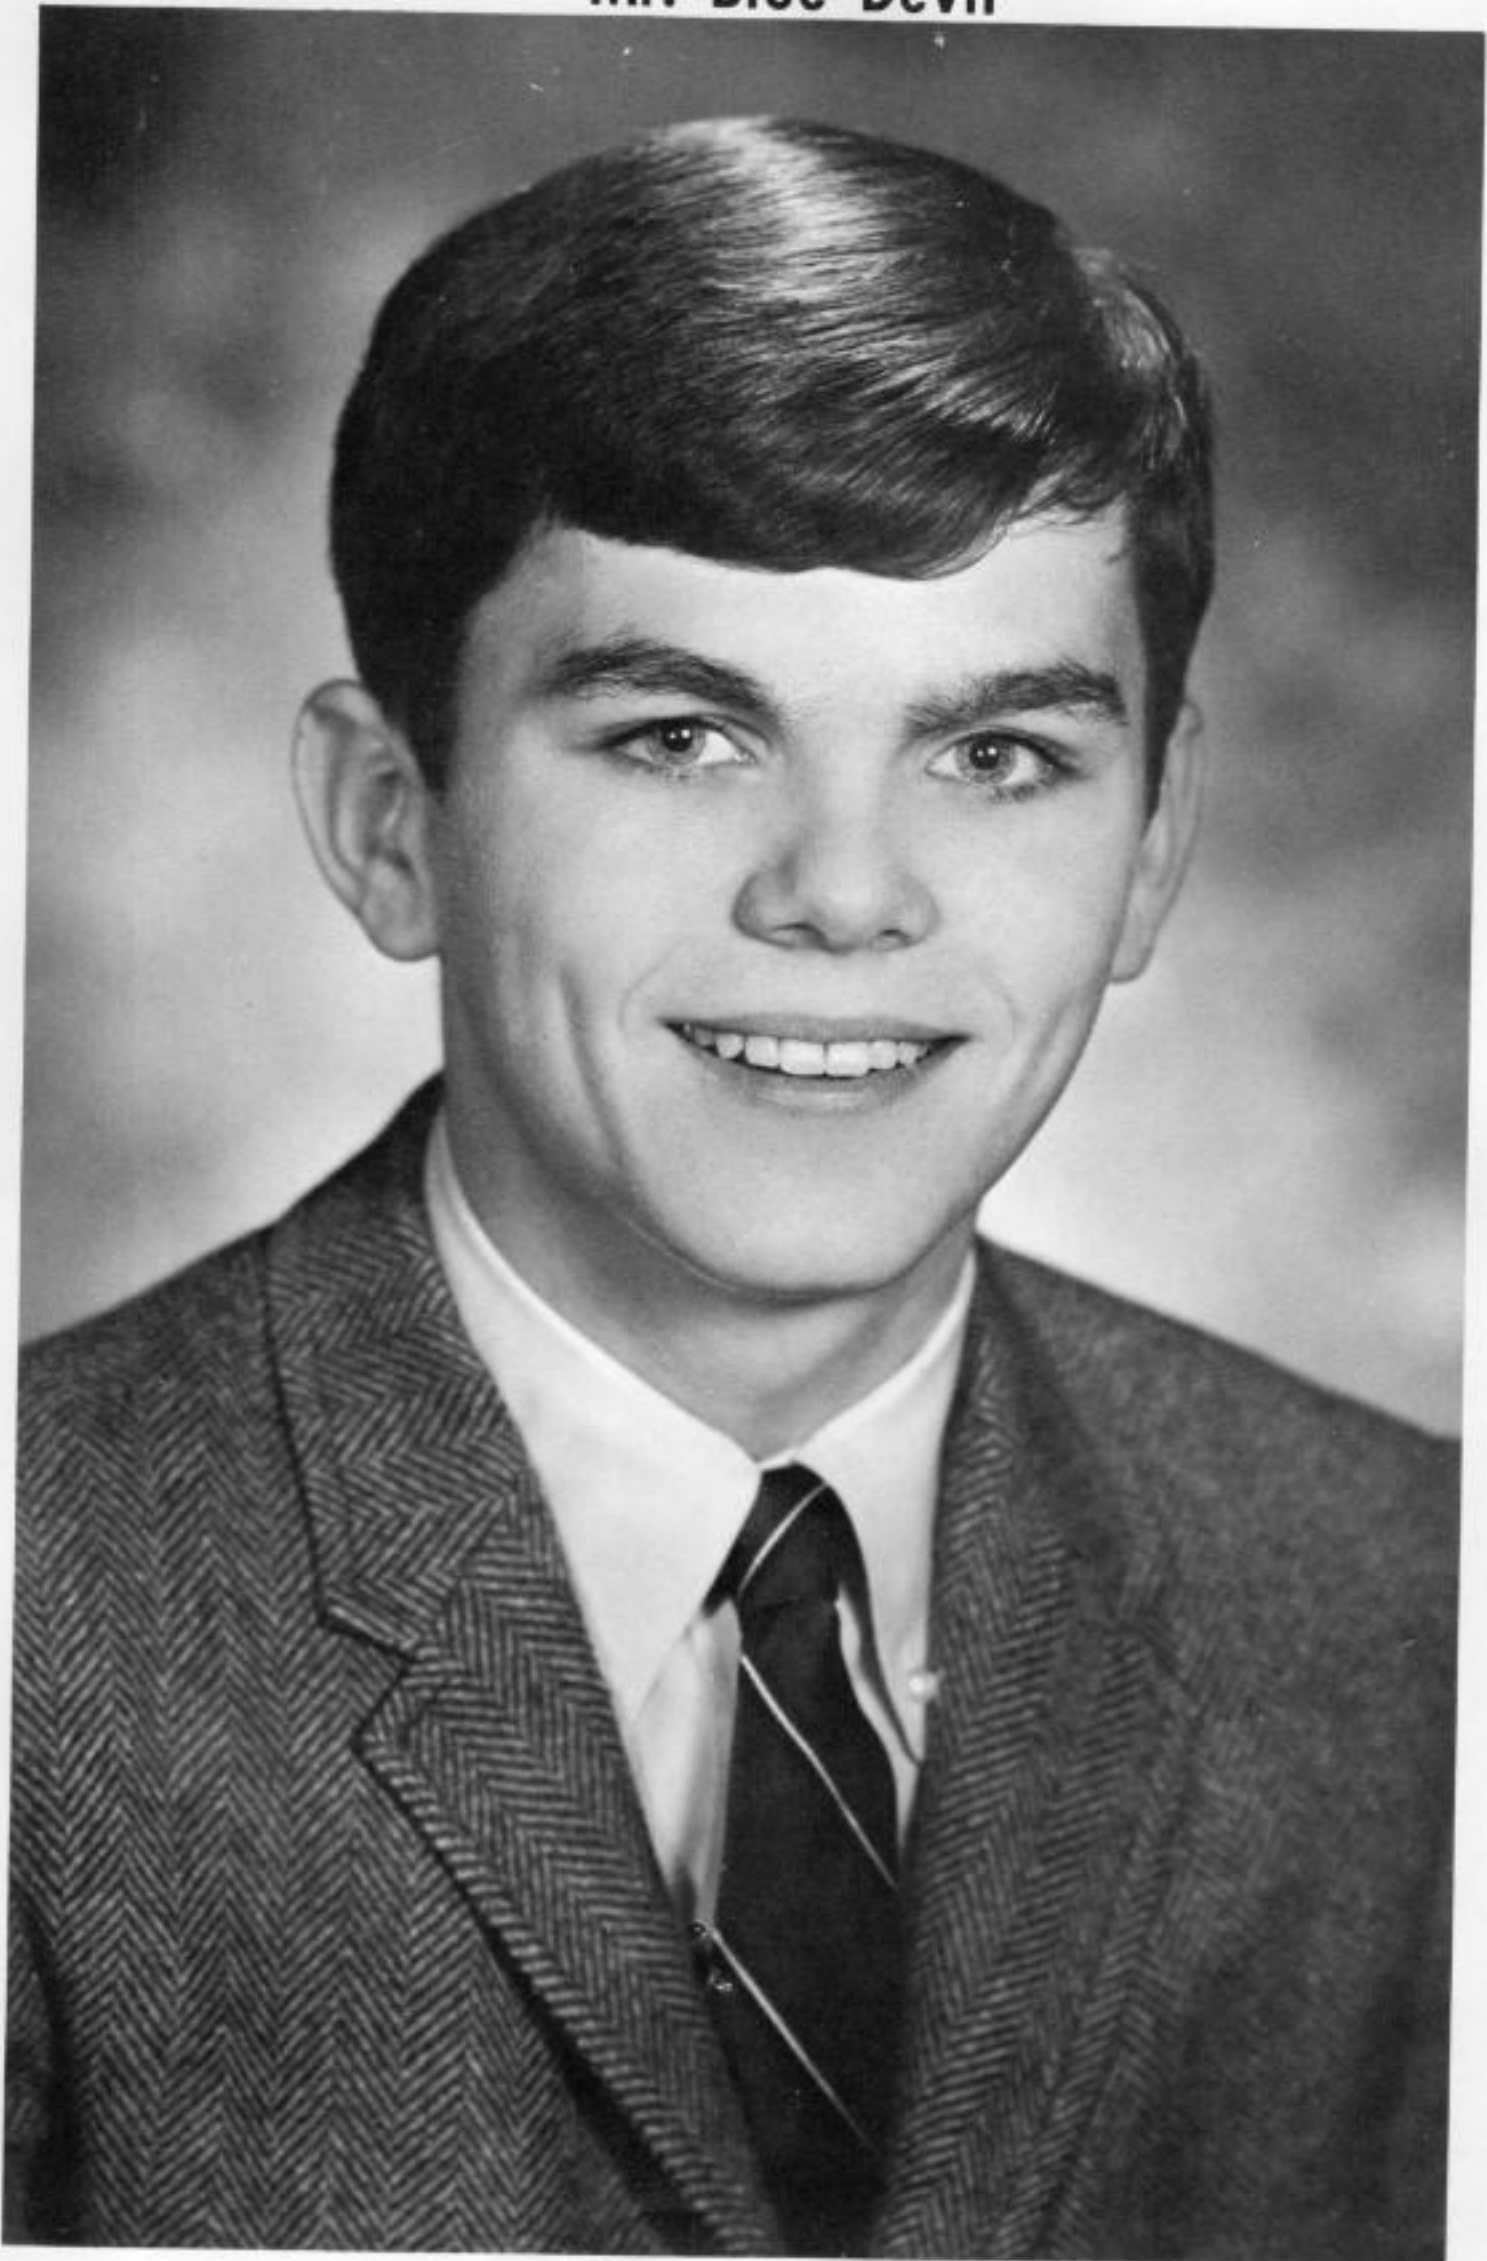

Ben Gazzara
