Table of Contents

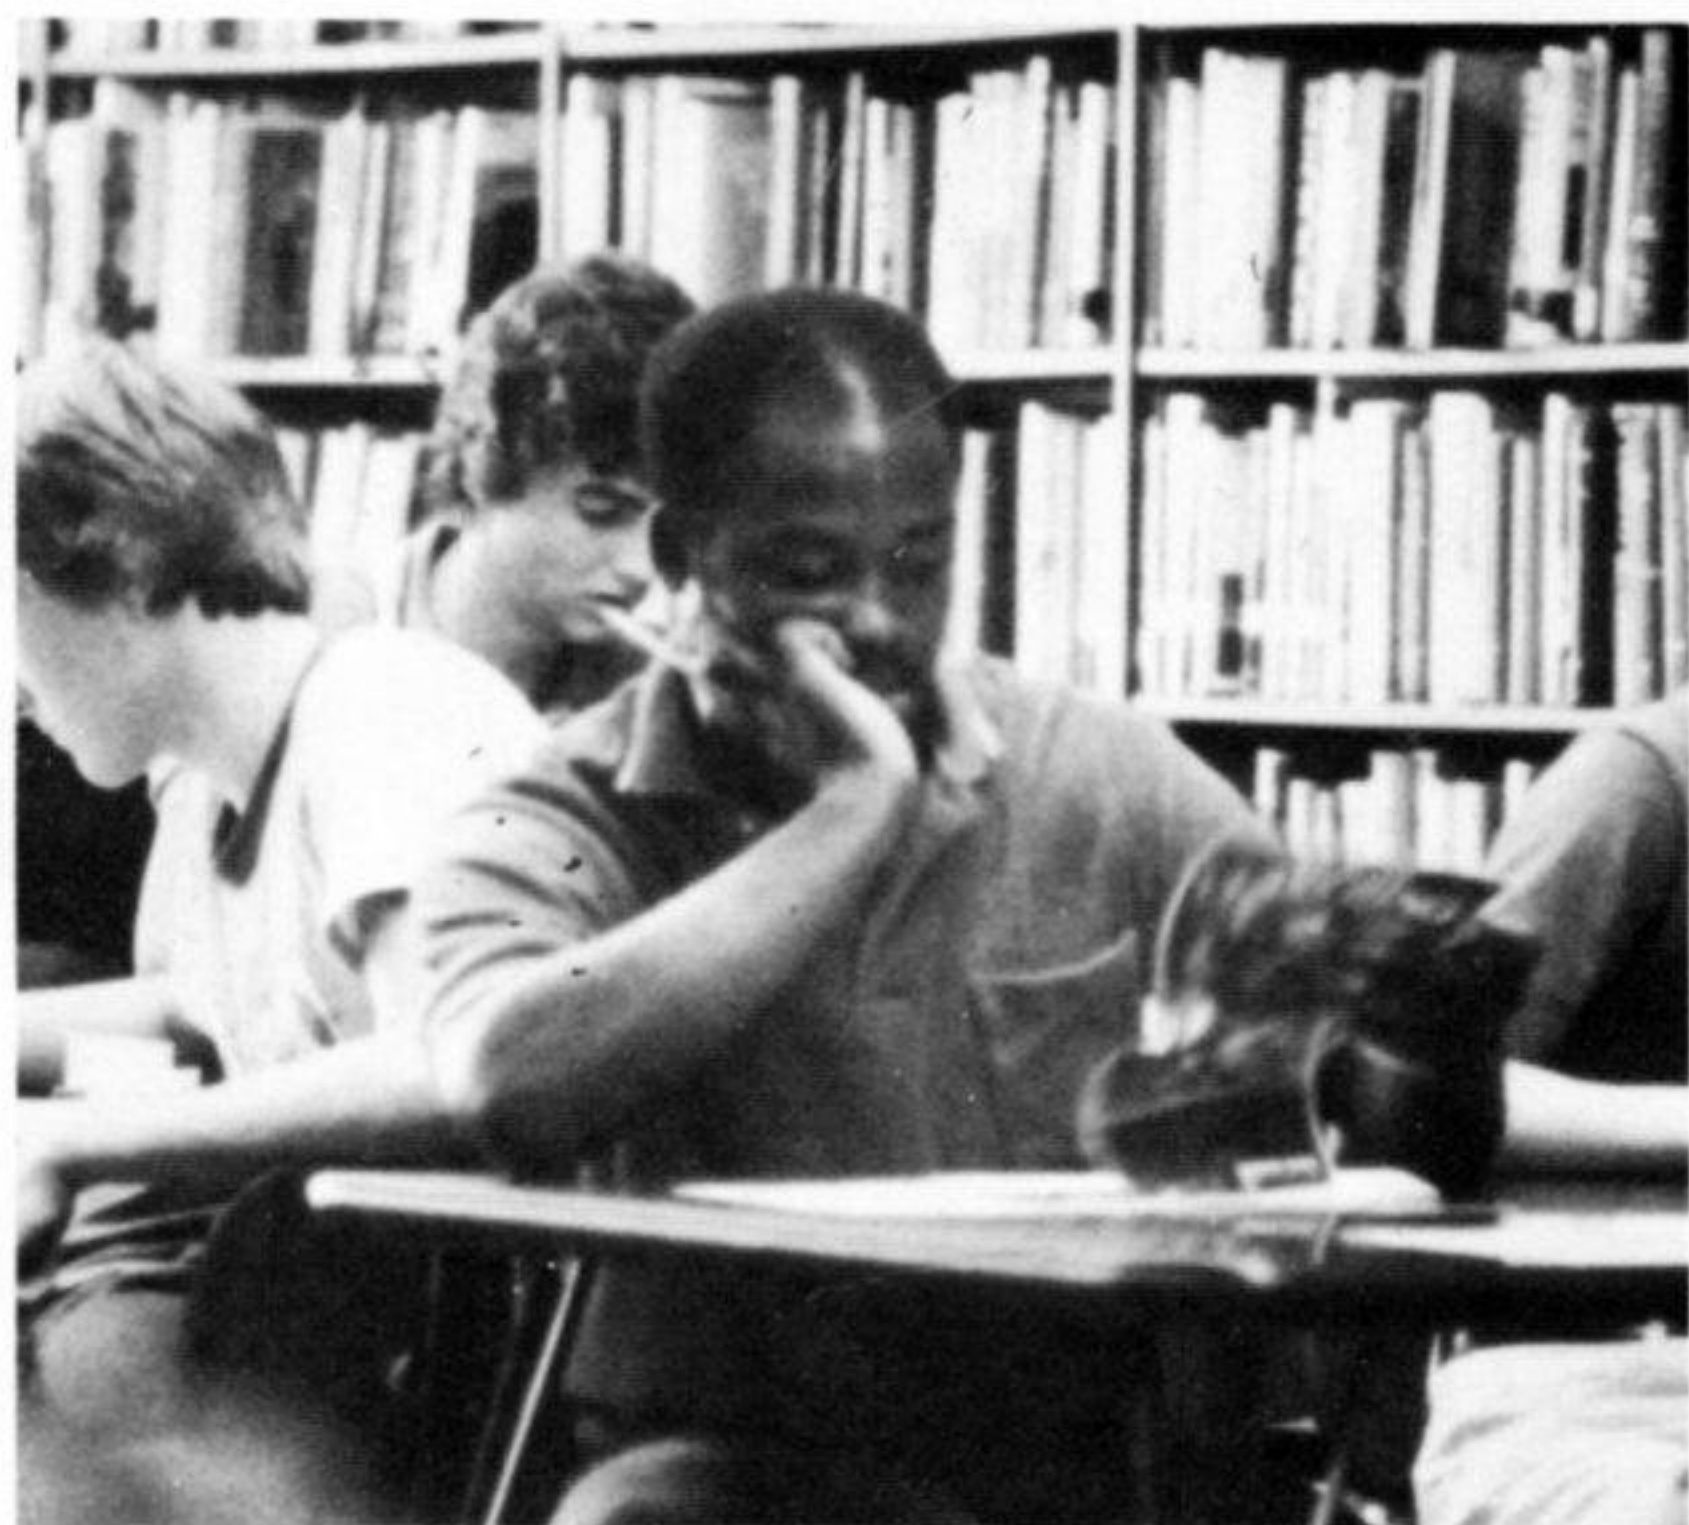

As the sun marks the day,
We live our school life in our own
way.
Each an individual; yet part of a
class,
We live the present but remember
the past.
We have **organizations** in which we
take part,
Our hard-working **faculty** who want
us to be smart,
Athletics to teach us to fairly
compete,
Yes, from **Elementary** to High School
Hughes cannot be beat!
So look from here to the **ads**,
We, the staff, think you will be
glad!

A SCHOOL DAY . . .

. . . A PEOPLE DAY

... A Good Day

Classes

Classes involve more than reading, 'riting, and 'rithmetic. Between the grades of 7 and 12 a student may learn anything from the correct way to fold a fitted sheet, how to parallel park an automobile, what is the best way to make a dado joint, or to program a computer. Heavy emphasis is still placed on the basics at Hughes Public Schools but goals definitely include seeking to make each student as prepared for the "real world" as possible.

Left: One of the best things about being a Senior is ordering a class ring.

What will your day be
 Senior class of 1983?
 Will you free the world of war?
 Journey beyond the stars?
 Will every mouth be fed?
 Will you lead or be led?

Will you free the streets of
 crime?
 Will you stop to take the time?
 Will poverty be no more?
 No diseases at Death's door?
 Educate your children well?
 Distinguish between Heaven
 and Hell?

Will you keep the water and air
 clean?
 Will you master tomorrow's
 machines?
 Will you accept your legacy?
 Assume an air of responsibility?
 Live to leave a prophecy?
**What will your day be

Organizations

"To join or not to join?" is not the question. The question is "What should I join?" Hughes High School offers over 20 clubs or organizations to which a student may belong. However varied the interests of the student body, there is something offered for everyone be it student government, the study of nature, journalism, or even just getting together with friends who share a common like. One characteristic that all clubs share is the desire that each participant learn to work with others in achieving a common goal.

Right: Tracy Hughes won 1st place and BEST OF SHOW awards with this geometric string art project at the St. Francis County Fair.

The 1982-83 Blue Devil Band

Drum Major Susanne Owens and **Band Director Steve Warner** are all smiles at Little Rock!

Long practices amidst the hot days of August paid off huge dividends November 6 when the 67 member Blue Devil Band earned 5th place overall at State during the Central Arkansas Marching Contest at War Memorial Stadium in Little Rock. The Flags and Rifle Corps won the top honors also while competing there. The Blue Devil Band was the only band of its class to reach the Top Five at that contest.

The Band, Rifles, and Flag Corps won First Division at the other three contests that they competed at — the ASU Contest, the Delta State Marching Festival at Cleveland, Miss. and the Regional Competition held at West Memphis.

Perhaps though their highest accomplishment was the seemingly flawless routines that they entertained the crowds with during half-times at home football games.

Faculty

Hughes Public Schools are very fortunate to have employed the high quality staff that it has. Counting certified and support employees puts the number of school personnel at over 125 people. Teachers, counselors, custodians, cooks, mechanics, administrators, etc. are people like anyone else. They have good days and bad days like students do. The entire school staff is to be commended in that the great majority of the time the whole group works together to provide a smooth and meaningful school day for the students.

Superintendent of Schools

George Doty

MS — Memphis State

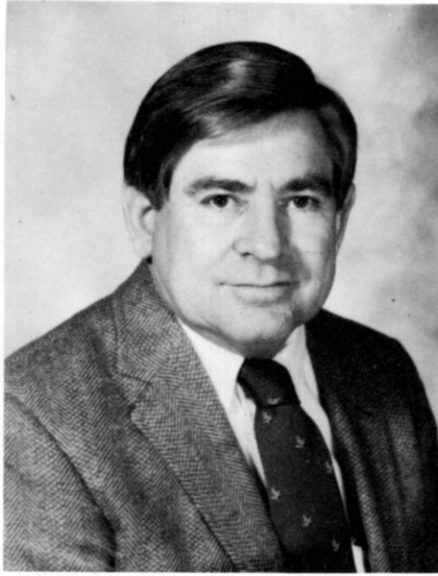

Some days the phone will not stop ringing!

Although he has undertaken a new position, Mr. Doty is not new to the role of a leader. His experience as an administrator for many years at Hughes has allowed him to provide superior leadership in this year of transition.

He has maintained the quality school program that is the trademark of Hughes Public Schools.

His job is extremely complex; he is where "the buck stops." Yet, he always takes time to listen to others. Mr. Doty is a definite asset to our school.

Not Have School Without Them!

There is a lot more to the daily operation of a school than the average person stops to think about. Everyone at Hughes Public Schools is very appreciative to have the dedicated support staff that is employed here. Clean, well maintained facilities; hot, nutritious lunches; and buses that are safe for students to ride are just a few of the jobs that these people do each day.

Athletics

Why Athletics? At Hughes Public Schools one of the school's major goals is to help students develop sound, healthy bodies as well as good minds. P.E. is as much a part of athletics as Football, Basketball, Track and Tennis. Athletics teach both the spirit of fair play and how to be either a gracious winner or loser. Much emphasis is placed in teaching students recreational skills that will carry over into adult life.

Right: One of Coach Bate's P.E. classes takes advantage of a warm fall day to play flag football outside.

When the round ball gets put on the shelf, sports have not ended for the year. Track and Tennis have equal importance with the scope of the whole athletic program. Stamina and devotion are necessary for athletes to excel in these highly competitive fields. Hughes teams must have the necessary ingredients because Jr. and Sr. Boys and Jr. Girls won the District Track Tournaments. The Sr. Girls also placed second. Both the Boys and Girls Tennis Teams won their district Match. Several individuals from the above teams qualified to compete in the State Tournaments in their respective areas.

ADVERTISING

Apart from trying to earn money to help pay the expenses of producing the Yearbook, there are several other reasons we sell ads. Advertising allows our community to show one of the many ways it supports the school. Advertising allows our student staff members to become salespersons in the community and learn about marketing a service or product. Advertising makes friends!

We think advertising in **The Blue Devil** is a good investment. Billboards, newspapers, magazines, etc. tend to fade away. A Yearbook lasts a lifetime!

We, the staff and sponsors, thank those who supported us this year. We hope you will continue to do so in the future.
