FEELING AT HHS

87-88

# Capture the Feeling!!!

Many students captured the feeling at HHS this year. Seniors captured the feeling of graduating and stepping out into the real world. Others did so by participating and showing school spirit and support. No matter how they participated, either as a team or a club, they remained together. When the going got tough, whether it was a test or a competition, the HHS students stood up for their school. They lent a helping hand in times of hardship and, in the end, the HHS students were still standing proud. They truly captured the feeling!!!

# Dedication

A good teacher is . . .  
. . . one who cares  
. . . has a lot of patience — tolerance  
. . . one who listens and understands  
. . . one who takes time with each student  
. . . and especially one who is ready, willing, and able.

Mrs. Sandy Cook has been teaching here at Hughes High School for eleven years. As a history instructor, she attempts to give students a view of the past in order to understand today's world and its future. She describes her interest in history as being stimulated by reading — she read *Gone With the Wind* three times in the eighth grade — and pursued a degree at Arkansas State University. She lacks six hours on her Master's Degree, and will soon pursue the educational level of specialist.

Mrs. Cook says that she "enjoys teaching," or she "wouldn't be here." The thing she appreciates most about teaching here at Hughes is the students. She describes them as "easy to get along with." They need more motivation, but basically they're good kids." The only thing she detests about teaching is the permanent build up of chalk dust under her fingernails!

A teacher affects eternity: she can never tell where her influence stops.

— Henry Brooks Adams

History with its flickering lamp stumbles along the trail of the past, trying to reconstruct its scenes, to revive its echoes, and kindle with pale gleams of passion of former days. What is the worth of all this? The only guide to a man is his conscience; the only shield to his memory is the rectitude and security of his actions. It is very imprudent to walk through life without this shield, because we are so often mocked by the failure of our hopes and the upsetting of our calculations; but with this shield, however the fates may play, we march always in the ranks of honor.

— Sir Winston Churchill

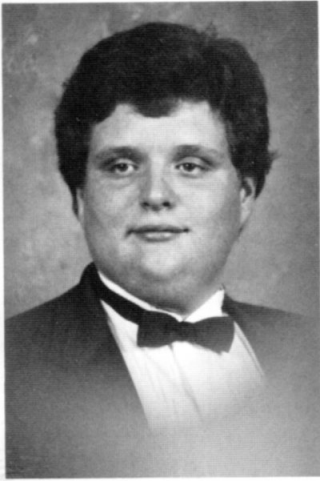

Because of all these things, this annual is lovingly dedicated to

**Mrs. Sandy Cook**

# Elementary Administration

Mark Gammill  
Principal

Mr. Gammill has another hard day holding up his duties as Elementary Principal.

Clint Williams  
Vice Principal

Mr. Gammill and Mr. Williams uphold their duties as principal.

Janice Base  
Elementary Supervisor

Donna Isabell  
Counselor

Organization is the key to successful supervision. Without the help of these four ladies, success would be impossible. They are often involved with numerous amounts of paperwork, but they always find time to assist teachers and students.

### GOOD-BYE

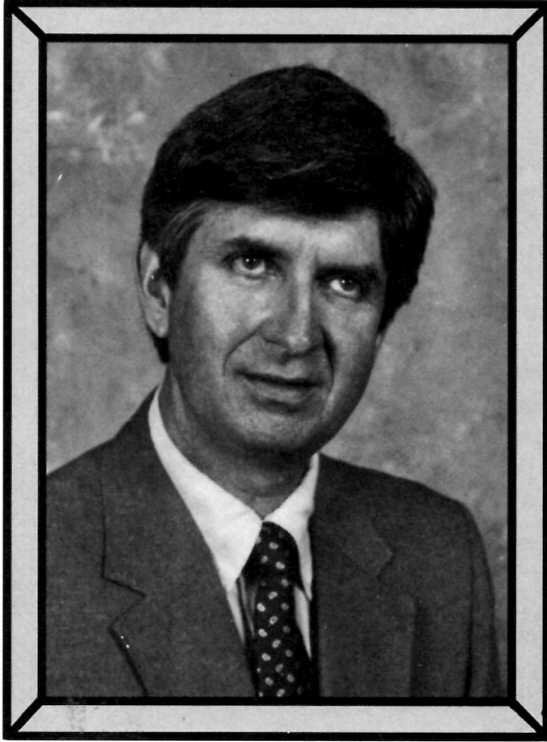

Good-bye proud world! I'm going home:  
Thou art not my friend, and I'm not thine,  
Long through thy weary crowds I roam;  
A river ark on the ocean brine,  
Long I've been tossed like the driven home.

Good-bye to Flattery's fawning face;  
To Grandur with his wise grimace;  
To upstart Wealth's averted eye;  
So supple Office, low and high;  
To crowded halls, to court and street;  
To frozen hearts and hasting feet;  
To those who go, and those who come;  
Good-bye, proud world! I'm going home.

I am going to my own hearthstone,  
Bosomed in your green hills alone —  
A secret nook in a pleasant land,  
Whose groves the frolic fairies planned;  
Where arches green, the livelong day,  
Echo the blackbird's roundelay,  
And vulgar feet have never trod  
A spot that is sacred to thought and God.

O, when I am safe in my sylvan home  
I tread on the pride of Greece and Rome;  
And when I am stretched beneath the pines,  
Where the evening star so holy shines,  
I laugh at the lore and the pride of man,  
At the sophist schools, and learned clan;  
For what are they all, in their high conceit  
When man in the bush with God may meet?

— Ralph Waldo Emerson

Lloyd Linn  
Administrative Assistant

Mr. Linn has taken on a new position this year. His title as Administrative Assistant involves coordinating departments, helping teachers, developing curriculum, and providing a liason between the teachers and the Central Office. We feel he has improved instruction and overall education at Hughes High School.

**CONGRATULATIONS  
Shannon**

We're so very proud of you! This is only one of the Blessings we've worked so hard for for the past 17 years. The Lord gave you to us on a very special day June 21, 1970, Fathers Day. He intrusted you to us, to love, to teach right from wrong, to teach what is important in life and to raise the best way we know how.

He didn't fail us in giving us a beautiful loving daughter and we pray we haven't failed in fulfilling our obligations to you. Now after 17 short short years, it's time for us to let go and let you use what we've taught you. You know we're expecting great things from our "Little Girl"!!! Make it Happen!!!

With all our love,  
Mom and Dad

I came to Hughes High just three years ago. Since then I have met many new friends and had many new experiences.

To the teachers of Hughes High, I would like to say thanks for all of the support and encouragement you have given me. The teachers we have here at Hughes High take a part in *You*, not just the subject they teach.

To my friends of Hughes High, I would like to say thanks for all of the memories you have given me. Just remember your High School years are some of the best years of your life: don't let them pass you by!

As yearbook editor, I hope you have enjoyed reading it just as much as we enjoyed putting it together for you. The memories in this book will last a lifetime, so *DON'T* let them go!

Your friend,

Holly Harper

Hold fast to dreams  
for if dreams die  
life is a broken-winged bird  
that cannot fly.

Hold fast to dreams  
for when dreams die  
life is a barren field  
frozen with snow.

— Langston Hughes
