HUGHES HIGH SCHOOL
P.O. BOX 9
HUGHES, AR 72348

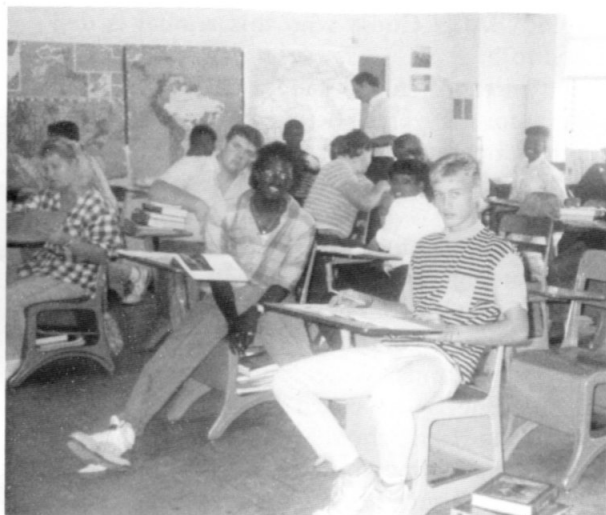

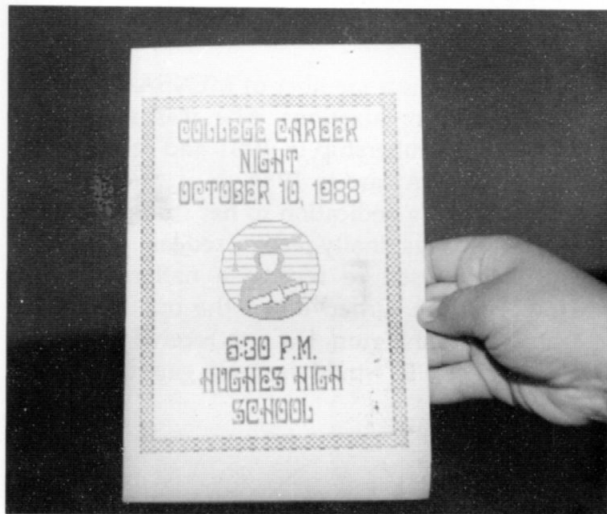

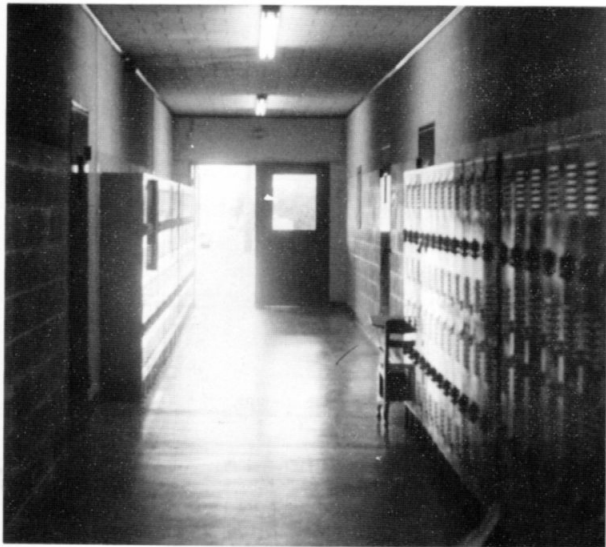

It's What's Inside That Counts!!

This year's students at HHS discovered what counts in life. Seniors looked inside the college and career life, while other students looked into school life.

The inside of school life included empty and full classrooms, good grades, and most of all, school spirit.

Everyone truly discovered that it's what's inside that counts.

Dedication

CORNBALL! Guess who this annual is dedicated to?!

Betty Rea Allen has taught at Hughes High School for 25 years. Before coming here, she taught for three years at Charleston (MO) High School and at Benton (AR) High School for one year.

Miss Allen is presently a sponsor of the Junior High Student Council and of Mu Alpha Theta. She has been Senior High Student Council sponsor. She is manager of the basketball and football concession stands, where she worked while a student. She is the coach for MATHCOUNTS and for the High School Math Competition.

After graduating from Hughes High School, Miss Allen received degrees from Ouachita Baptist College, George Peabody College for Teachers, and Texas Women's University.

During her high school years, Miss Allen was a member of the yearbook staff, newspaper staff, Glee Club, FHA (vice president), FTA (secretary), Beta Club (historian and vice president), and the

basketball team. One of her poems was published in the National Beta Journal, and she wrote the Arkansas Association of Student Councils' convention song. She was a class officer each of her high school years.

Continuing her active life in college, she was a member of the yearbook staff, newspaper staff, editor of a literary magazine, and senior class treasurer. Miss Allen served as a member of Sigma Tau Delta, vice president of Alpha Chi, president of Kappa Delta Pi, and president and pledge mistress of Gamma Phi.

Miss Allen has had many articles published, some of which include "String Art for the Geometry Class," "Games and Projects," "Geometry Everywhere," and "Picture Your Numbers."

Miss Allen is a member of MENSA and many professional organizations. She was awarded a PTA Life Membership in 1981 and received the NEA/Kodak Award in 1984.

Miss Allen's dedication to her students and to this school was finally recognized last year when she was chosen to receive a national award. However, she turned down the opportunity to travel to Washington, D.C., to receive the award — because "it would leave a gap in our education."

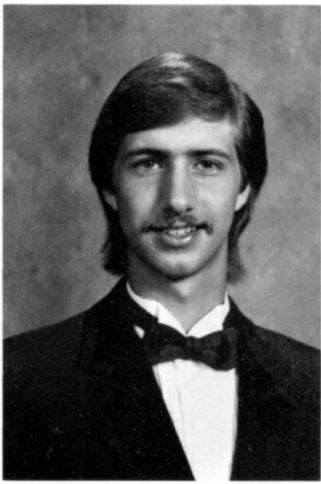

CORNELIUS!!!

December 8, 1988 was a special day for the fourth grade ROAD class. On that date, students presented a "State Fair." Students dressed in costumes which represented their states, and informed visitors about their state. All the students did a **GREAT** job, and everyone who attended really enjoyed the STATE FAIR!

Homecoming Queen 1988

The theme of this year's Homecoming was "Wild Wild West." Our game was on October 21, 1988, and we played the Marvell Mustangs. The score was 39 to 0 in favor of Hughes Blue Devils. Our Homecoming Queen was Stacey VanSickle, who was escorted by David Lane.

Even though Homecoming was filled with laughter and excitement, there was still time for the dress up days such as Western Day and Blue and White Day. There was also time for students to make and build Homecoming banners. Through all the excitement, the week of Homecoming was probably the BEST WEEK OF THE YEAR!!!

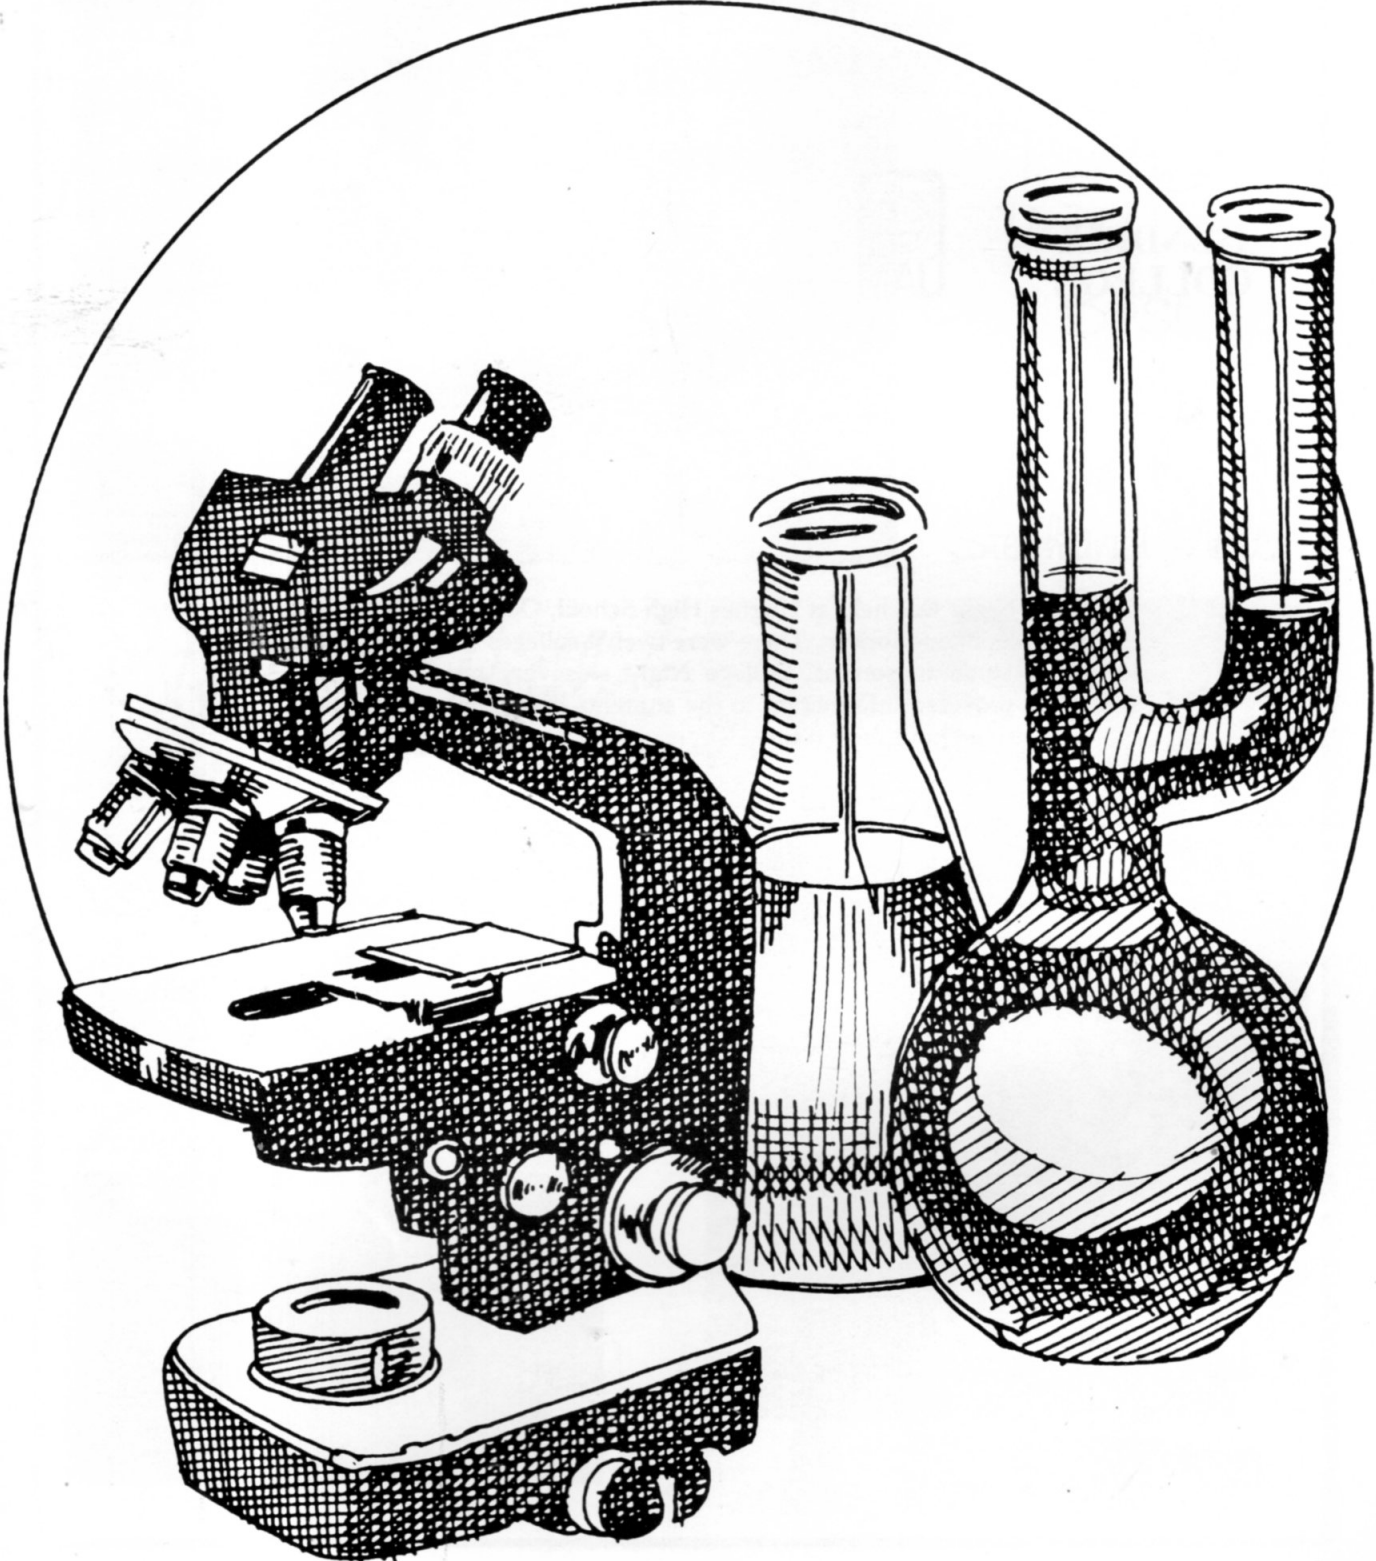

The Homecoming Assembly was very interesting because of all the club banners and beautiful gowns the Queen and the Maids were wearing. Through a skit, the cheerleaders had a few things to say to the **DEVILS** and the Mustangs. The I.A. club made a variety of buttons for Homecoming.

The parade was another big smash, with the Homecoming Court's float and the cheerleaders' float. There were even a few fans that decorated their vehicles. Some even decorated their golf carts!!!

LORD

Make Susana an instrument of thy peace.
Where there is hatred, let her show love;
Where there is injury, pardon;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light; and
Where there is sadness, joy.
For it is in giving that we receive
It is in pardoning that we are pardoned
And it is in dying that we are born to eternal
life.

Congratulations Susana!!!

We hope you have enjoyed reading this year's Blue Devil Annual as much as we have enjoyed putting it together for you. This annual holds memories that will last a lifetime. Hughes school memories are special and they are memories that people treasure forever; we tried to put these memories into this year's annual so that you can look back on these memories in years to come. Remember teachers, friends, not-so-good-friends, homecoming, hairstyles, fashion trends, making good or not-so-good grades . . . etc . . .

This is our last year here at Hughes School. These years have been great, and we have made friends and memories that we will always cherish.

Your Friends,
Laura & Lisa
